If a local or parent address is preferred for the address, you can change it by using the top portion of the billing statement, contacting the Student Accounts Office or making the change on the SIAS computer system.

Confirmation of Attendance

Confirmation of Attendance letters are mailed to the same address as the monthly statements and can not be designated otherwise.

Confirmations can be completed by using the I-Campus portal or returning your letter.

❖ To Make Payments

Payments can be made *in person* at the Cashier's Office in the Student Accounts Building, *by mail* (allow 3-5 days) or at our *drop boxes* located in Moulton Hall 1st floor and on the side of the Student Accounts Building.

Program Change

See the *Summer 2005 Class Registration Directory* for dates.

❖ Tuition & General Fees Charges

Tuition & General Fees charges can be found on the following pages
and on our web page at
www.comptroller.ilstu.edu/studentaccounts/

❖ Residence Hall/Meal Charges

Please refer to your *Residence Hall Contract Terms and Conditions* brochure for information regarding the charges for residence hall and meal plans or visiting University Housing Services web site at www.uhs.ilstu.edu/

❖ Student Insurance

An Insurance fee of \$86.00 is assessed to **all students with 6 or more credit hours** and is *included* in the General Fee charge on the bill. Insurance will be automatically assessed only through May 31, 2005. Please see Student Insurance section in the schedule booklet for further information and options.

We strongly recommend you remain enrolled in this Plan because it can help close the gaps left by other coverage. Sometimes a family plan has restrictions which limit a student's access to care. The benefits offered by Illinois State University are payable anywhere in the world and are designed to provide excellent coverage alone or in combination with other coverage.

Insurance Reduction

Students must demonstrate equal coverage and complete a written application in the Student Insurance Office, on or before May 31, 2005. For more information contact the Student Insurance Office at 309-438-2515 or visit www.shs.ilstu.edu/insurance.

❖ Outreach/Material Fees

Outreach Fees

\$40.57 per hour is assessed to courses offered off campus or via Internet.

Material Charge

A material charge is an optional fee charged to a student for consumable materials used in a course. It is billed in full with initial payment. A student may supply his/her own material and submit a written request to the instructor to waive the charge.

❖ Address Changes

It is imperative that students report any changes in local, home, or parent address to the Registrar's Office in Moulton Hall 107, either in person, using the top of their statement or using the I-Campus web portal or SIAS computer system.

ALL REFUNDS ARE MAILED TO YOUR HOME ADDRESS. FAILURE TO UPDATE ADDRESS WILL DELAY ANY REFUNDS.

❖ Return Check Policy

A penalty of \$25.00 is assessed for each check returned to the University. Check cashing privileges will be suspended when more than one check is returned to the University. In most cases, the person who endorses a two-party check is the one liable for any penalties charged if that check is returned.

Any check(s) returned that were originally issued to clear a delinquency, thereby permitting the student to register, will have those classes canceled if they fail to pay the account in full with **secured funds**. Any questions should be directed to the Student Accounts Office.

❖ Financial Aid Disbursement

Financial aid funds will be applied to your current year charges and any remaining excess will be mailed to your home address. However, Perkins loan borrowers **must** come into the Student Accounts Office to sign for their Master Promissory Note and pick up their refund (if available). Once Note is signed, additional refunds will be mailed. If Perkins Loan papers *are not* completed a hold will be placed on further registration.

If you are a first-year undergraduate *and* a first-time borrower of a Direct Loan, your first loan disbursement can't be made until 30 days after the first day of your enrollment period.

Distribution will begin on the first day of classes.

❖ Refunds

If there is an excess credit on the account, either from a payment or financial aid, a refund check will be **mailed** to the local address during the school year and to **home** address during the summer.

❖ Withdrawal Policy

A student who registers and officially withdraws from the University or from a course may receive a refund of tuition and general fees according to the following schedule:

- Prior to the first **scheduled** meeting time — All tuition and general fees except insurance*
- Up to and including the **last** day to withdraw without receiving a grade — All tuition and general fees except insurance*
- After the last day to withdraw without receiving a grade — No refund of tuition and general fees.

**Insurance is refundable only if the withdrawal occurs on or before May 31, 2005.*
