Payment options

Students have the option of paying in full or paying the first of four installments by the first billing due date of each semester. You can elect the installment option simply by paying the “installment amount due” listed on your first billing statement.

There is a **\$35 installment fee** per semester for paying the tuition and general fee charges in installments, which will be listed on the third statement.

If tuition and general fees are not paid in full on the first billing, you will be automatically placed on the installment billing plan and assessed the installment fee. See the semester specific information for the due dates. Refer to your Housing Contract for information regarding installment fees and charges for room and meals.

Direct deposit of refunds

Direct Deposit and Commerce DirectCheck card are available for most Student Accounts refunds. We urge all students to sign up for one of these options through their [myillinoisstate](#), in the “Finances” section under the *Student* tab. It only takes a few minutes to sign up, it is secure, and you don’t have to wait for a check to be mailed. For more information be sure to visit the Student Accounts website and read the information in the [Refund Options section](#).

If you have further questions please contact the Student Accounts Office at stuaccts@ilstu.edu.

Mailing

STATEMENTS

Monthly statements are mailed to the HOME address that is on file with the University. If a local or parent address is preferred, you can change it by returning the top portion of the billing statement or by contacting the Student Accounts Office.

REFUNDS

Refunds, for students who fail to sign up for direct deposit, are mailed to the local address during the fall and spring semesters and to the home address during the summer and over breaks. Failure to update your address will delay any refund.

Address changes

Students must report any changes in local, home, or parent address by using the [myillinoisstate](#) portal, in person at the Registrar’s Office in 107 Moulton Hall or by returning the top portion of your statement.

Financial aid disbursement

Financial aid will be applied to your current-year charges and remaining funds will be directly deposited or mailed to you. However, first-time Perkins Loan borrowers must come into the Student Accounts Office to sign for their loan and pick up their refund (if available). If **Perkins Loan** papers are not completed, a hold will be placed on further registration. Refund distribution will begin on the first day of classes. If there is an excess credit on the account, either from a payment or financial aid, a refund check or direct deposit will be issued. See “Direct deposit of refunds” above.

Student charges

TUITION

Undergraduate tuition is determined by using the tables found on pages 9—12. Graduate tuition is on page 24.

GENERAL FEES

General Fees are assessed at a per credit hour rate. A detailed listing of these fees is included in the student's specific tuition/general fees rate table on pages 13- 24.

OUTREACH FEES

Depending on your tuition rate table, some students that are taking classes off site, via the Internet or special programs may be assessed Outreach Fees per credit hour *instead* of general fees. See individual tuition table for rates.

*Students assessed outreach fees **only** are not charged for student insurance.*

STUDENT INSURANCE

An insurance fee is automatically assessed to all students who register for 9 or more credit hours during the fall and spring semesters or 6 or more credit hours during the summer semester. The insurance fee is included in the general fees charge on the billing statement. Students assessed *outreach fees only* are **not** charged for student insurance.

Coverage is worldwide, with a \$50 deductible (waived when coordinating with another plan) and a \$1 million maximum. Please contact Student Insurance for further information and options at (309) 438-2515 or visit the [Student Health Insurance Web site](#).

It is strongly recommended that you remain enrolled in this plan because it can help close the gaps left by other coverage. Sometimes a family plan has restrictions which limit a student's access to care. The benefits offered by Illinois State University are payable anywhere in the world and are designed to provide excellent coverage alone or in combination with other coverage.

Insurance reduction

Students who are assessed the student insurance fee can apply to waive this insurance under the following circumstances:

- Student must demonstrate equal or better coverage
- and*
- complete a written application at the Student Insurance Office, 230 Student Services Building.

*The waiver **MUST** be completed **each semester**.* Please see the fall, spring or summer section for deadlines to waive the insurance. No waiver requests will be accepted after the deadline.

MATERIAL CHARGES

Material charges are assessed when registering for certain courses that will be using materials provided by the University. Courses having a material charge or fee in the prerequisite and comments column will be assessed on the billing statement. This fee varies in amount depending on class and materials. Materials fees are optional to the student, since he or she must be allowed the opportunity to purchase the needed material from other sources. In these cases an authorization form must be completed and sent to the Student Account's office. [A copy of the form is available on our website.](#)

LATE FEES

Late fees are assessed each month when payment is not received by the billing due date. **Not receiving a bill does not release you from late penalties.** Please check your myillinoisstate portal or contact our office if you do not receive a bill by the end of the month. The following late fees will be assessed to your next statement.

Amount Due	Late Fee
Less than \$10	None
\$10.01-\$50	\$2.50
\$50.01-\$500	\$5.00
Over \$500	\$10.00

IMMUNIZATION COMPLIANCE FEE

A \$50 charge will be assessed to a new student who has not complied with the Illinois Immunization Law by the 10th class day. Call Student Health Services for information at (309) 438-7559.

OTHER CHARGES

Other departments on campus also utilize the billing system to assess charges to students. These may include Health Services, Pharmacy, Parking, Redbird Card Office, Athletics, International Studies and others.

STUDENT-TO-STUDENT GRANT

This refundable fee, assessed during the fall and spring semesters, provides support for needy and disadvantaged students. Refund application must be completed in the Student Accounts Office by the 15th day of class for each semester.

Audit hours

Students taking *only* audit course hours (courses without credit) are charged tuition at their current rate. If taking additional hours not on audit, the student is subject to paying tuition and general and/or outreach fees for all the hours including those on audit.

Return check/E-check policy

Special warning about payments: A penalty of \$25.00 is assessed for each check/E-check returned to the University. Check cashing privileges will be suspended when more than one check/E-check is returned to the University. In most cases, the person who endorses a two-party check is the one liable for any penalties charged if that check is returned. Any check/E-check(s) returned originally issued to clear a delinquency thereby permitting the student to register will result in cancelled classes if he or she fails to pay in full his or her returned check/E-check(s), check fee(s) and balance due. Please contact the Student Accounts Office with questions.

Undergraduate tuition (in-state/out-of-state) and general fees shall freeze based on the following tables. The duration of the initial freeze rate depends on the qualified primary major/sequence carried within the individual’s catalog year as of the last day of the last undergraduate semester attended within the four continuous calendar years after being classified as first enrolled¹.

If during a future semester, a student becomes classified as a graduate, the prevailing graduate rates and general fees shall apply².

The undergraduate majors/sequences on pages 6 - 8 qualify for five- and six-year freeze rates and terms.

Please note: insurance, installment, etc., are not considered frozen fees.

Upon the expiration of the initial and additional two-year freeze periods, the prevailing rates shall apply.
