Undergraduate tuition (in-state/out-of-state) and mandatory fees* shall freeze based on the following tables. The duration of the initial freeze rate depends on the qualified primary major/sequence carried within the individual's catalog year as of the last day of the last undergraduate semester attended within the four continuous calendar years after being classified as first enrolled.

If during a future semester, a student becomes classified as a graduate, the prevailing graduate rates and mandatory fees shall apply. *Please note: Mandatory fees (effective Fall 2017), Insurance, installment, etc., are not considered frozen fees.*
Upon the expiration of the initial and additional two-year freeze periods, the prevailing rates shall apply.

Qualifications and rates are subject to change pending any future Board of Trustees, legislative, or University Administrative action.

Definition of first semester enrolled—Must be an undergraduate student in a degree-seeking program, including the "General Student" classification and in attendance as of the official "10th-day census." If carrying a primary major/sequence of unclassified (065.00) when first enrolled, the tuition freeze will not apply. If carrying a primary major/sequence in the Integrated Accountancy B.S./M.P.A. program (382.00, 382.01, or 382.02) or Integrated Languages, Literatures, and Cultures B.A./M.A. program (314.00, 314.12, 314.13, or 314.15) when first enrolled, the student is considered as an undergraduate student for purposes of this definition. Classification of graduate status in a prior semester does not disqualify eligibility for tuition freeze.

Effective for semesters after summer 2005, the undergraduate rate shall apply for students carrying a primary major/sequence in the Integrated Accountancy B.S./M.P.A. program (382.00, 382.01, or 382.02). Effective for fall 2007—spring 2012 semesters, the undergraduate rate shall apply for students carrying a primary major/sequence in the Integrated Languages, Literatures, and Cultures B.A./M.A. program (314.00, 314.12, 314.13, or 314.15).
