Cashing Checks

Students often ask the question “How and where can I get cash?” The Cashier’s Office in the Student Accounts Building and the Bone Student Center Box Office will cash checks from students under the following conditions:

- Only one check per day may be cashed on campus.
- The check must be for $50 or less.
- The check must be written from the student to Illinois State University, or the check must be written from the parent to either ISU or to the student.
- The student must present an ISU Redbird Card.
- There is a charge of $.50 for each check cashed.
- Student employees of Illinois State University may cash their paychecks, for any amount.

Note:
Because of the larger amounts of cash needed during the beginning of school for books, supplies, and other items, the Cashier’s Office will cash checks up to $300 during the first two weeks of each semester. Each check over the amount of $50 must be approved by the supervisor of the Cashier’s Office.

Student employees of Illinois State University may cash their paychecks, for any amount, at either the Cashier’s Office or the Bone Student Center Box Office. There is a charge of $.50 for this service.

Students may also cash ISU Payroll checks and University Cash and Federal Funds account checks at the banks on which the checks are drawn. Payroll account checks are drawn on the US Bank and University Cash account checks are drawn on Commerce Bank. There is no charge at either bank for this service.
