

Making a Payment as a Parent/Guardian

NOTE: Because of student confidentiality, there is no direct way to simply make payments as a parent or guardian. However, there are two alternative options for making payments on your student's account.

Option 1 (Authorized User): *Not an Authorized User? See our instructions for setup!

The screenshot shows the Illinois State University Student Accounts website. The header includes the university logo and 'OFFICE OF THE COMPTROLLER Student Accounts'. A navigation bar contains links for Tuition Rates, Billing Information, Withdrawal Dates, College Illinois, Forms, FAQ, Tax Credit, and Collections. A central image shows a group of students walking. To the right, a sidebar contains links for Student Login, Authorized User Login (highlighted with a green box), Student Accounts Checklist, Parent/Designee Helpful Information, and Important Links. Below the image are sections for News and Deadlines. The News section includes articles on International Student Payments, Checking your To Do List, and Spring 2017 Payment Plan. The Deadlines section lists due dates for eRefunds, Spring 2017 Refunds, and Spring 2017 invoice installments.

On the student accounts website (studentaccounts.illinoisstate.edu), select “Authorized User Login.”

Option 2 (Non-Authorized User):

Unfortunately, unless you are an Authorized User, because of confidentiality, you will not be able to access the system that works with the billing and payments. The only way to make a payment without an Authorized User login is to use the student's login information. Ask your student if you may use their ULID and password to make a payment, and then see our instructions on how to make a payment using the student login.

Select 'Make A Payment' button again.

There are three payment options to choose from, 'Current Account Balance,' 'Amount Due,' and "Future Due." Select the option that you wish to pay.

Select "Continue" and follow the prompts to enter in your payment method, confirm your payment, and receive your payment receipt.

NOTE: Under the "Current Account Balance" and "Future Due" options, you may customize the amount that you wish to pay by typing in the dollar amount in the boxes on the right.

Proceed to selecting the payment method you want to use and complete the payment process.
