

Making a Payment

The screenshot shows the website for the Office of the Comptroller at Illinois State University, specifically the Student Accounts section. The page has a red header with the university logo and name. Below the header is a navigation bar with links for Tuition Rates, Billing Information, Withdrawal Dates, College Illinois, Forms, FAQ, Tax Credit, and Collections. A search bar is located in the top right corner. The main content area features a large image of students walking on a path. To the right of the image is a vertical menu with five red buttons: Student Login, Authorized User Login, Student Accounts Checklist, Parent/Designee Helpful Information, and Important Links. The 'Student Login' button is highlighted with a green rectangular box. Below the image are two sections: 'News' and 'Deadlines'. The 'News' section contains three articles: 'International Student Payments', 'Checking your To Do List', and 'Spring 2017 Payment Plan'. The 'Deadlines' section lists several dates and corresponding payment events, such as 'NOW - Sign up for eRefunds', '01/13/17 - Spring 2017 Refunds begin and continue every Friday', '12/09/16 - Late billing (any outstanding or new charges due)', '01/06/17 - Spring 2017 invoice due in full, unless enrolled in payment plan, then 1st installment due', '02/03/17 - 2nd Installment due for Spring 2017 if enrolled in payment plan', and '03/03/17 - 3rd Installment due for Spring 2017 if enrolled in'.

On the student accounts website (studentaccounts.illinoisstate.edu), select “Student Login” on the right-hand side.
