Payment options

Students have the option of payment in full or paying the first of four equal installments by the first billing due date of each semester. You can elect the installment option simply by paying the “installment amount due” listed on your first billing statement. There is a \$35 installment fee per semester for paying the charges in installments, which will be listed on the third statement. If tuition and fees are not paid in full on the first billing, you will be automatically placed on the installment billing plan and assessed the installment fee. Refer to your Housing Contract for information regarding installment fees and charges for room and meals. See the specific semester for the due dates.

Payment methods

- In person—Cash, check, or money order in the Student Accounts Building; see our contact information for location and hours.
- By mail—Check or money order; please allow at least a few days for mail service.
- Drop box—For your convenience we have two drop boxes located on campus. They are located on the side of the Student Accounts Building and on the first floor of Moulton Hall. Payments placed in the drop boxes will be processed the next business day.
- Credit cards—Illinois State University Student Accounts Office only accepts credit card payments through the State of Illinois E-Pay Program. Any Student Accounts balance and Perkins Loan balance at Illinois State University may be paid through this service. A convenience fee will be assessed by the State of Illinois for using their service. You can pay online at the Illinois Funds E-Pay Program Web site at www.illinoispay.com or by automated telephone system at (877) 455-3729. MasterCard, Discover, and American Express are accepted.

Return check policy

Special warning about payments: A penalty of \$25 is assessed for each check returned to the University. Check-cashing privileges may be suspended when more than one check is returned to the University. In most cases, the person who endorses a two-party check is the one liable for any penalties charged if that check is returned. Any check(s) returned originally issued to clear a delinquency thereby permitting the student to register will have those classes canceled if he or she fails to pay in full his or her returned check(s) and check fee(s). Please contact the Student Accounts Office with questions.

Late fees

Late fees are assessed each month when payment is not received by the due date. Not receiving a bill does not release you from late penalties. Please check your iCampus portal or contact our office if you do not receive a bill by the end of the month. The following late fees will be assessed to your next statement.

AMOUNT DUE	LATE FEE
Less than \$10	None
\$10.00–\$50	\$2.50
\$50.01–\$500	\$5.00
Over \$500	\$10.00

Direct deposit of refunds

Direct deposit is available for most Student Accounts refunds. We urge all students to sign up for direct deposit through the iCampus portal, underneath the “Financial Info” tab. It only takes a few minutes to sign up, it is secure, and you don’t have to wait for the check to be mailed. For more information be sure to read the direct deposit terms and conditions. If you have further questions please contact the Student Accounts Office.

Mailing

STATEMENTS

Monthly statements are mailed to the HOME address that is on file with the University. If a local or parent address is preferred, you can change it by using the top portion of the billing statement or contacting the Student Accounts Office.

REFUNDS

Refunds, for students who fail to sign up for direct deposit, are mailed to the local address during the fall and spring semesters and to the home address during the summer and over breaks. Failure to update your address will delay any refund.

Address changes

Students must report any changes in local, home, or parent address to the Registrar's Office in 107 Moulton Hall, either in person, using the top of their statement, or using the iCampus portal.

Student insurance

An insurance fee is automatically assessed to all students who register for 9 or more credit hours during fall and spring semesters or 6 or more credit hours during the summer semester and are assessed general fees. The insurance fee is included in the general fee charge on the billing statement. Students assessed outreach fees **only** are not charged for student insurance.

Coverage is worldwide, with a \$50 deductible (waived when coordinating with another plan) and a \$1 million maximum. Please contact Student Insurance for further information and options at (309) 438-2515 or visit the Student Health Insurance Web site.

It is strongly recommended that you remain enrolled in this plan because it can help close the gaps left by other coverage. Sometimes a family plan has restrictions which limit a student's access to care. The benefits offered by Illinois State University are payable anywhere in the world and are designed to provide excellent coverage alone or in combination with other coverage.

Insurance reduction

Students who are assessed the student insurance fee can apply to waive this insurance under the following circumstances. Student must demonstrate equal or better coverage and complete written application at the Student Insurance Office, 230 Student Services Building. The waiver **MUST** be completed each semester. Please see the fall, spring, or summer section for deadlines to waive the insurance. No waiver requests will be accepted after the deadline.

Financial aid disbursement

Financial aid will be applied to your current-year charges and remaining funds will be mailed or directly deposited to you. However, first-time Perkins Loan borrowers must come into the Student Accounts Office to sign for their loan and pick up their refund (if available). If Perkins Loan papers are not completed a hold will be placed on further registration. If you are a first-year undergraduate and a first-time borrower of a Direct Loan, your first loan disbursement cannot be made until 30 days after the first day of your enrollment period. Refund distribution will begin on the first day of classes. If there is an excess credit on the account, either from a payment or financial aid, a refund check or direct deposit will be issued. See "Direct deposit of refunds" section on page 2.

Miscellaneous fees and charges

OUTREACH FEES

Outreach fees are assessed to courses offered off campus or via Internet on a per-credit-hour basis. See individual tuition table for rates.

MATERIAL CHARGES

Material charges are assessed to a specific course that will be using materials provided by the University during that course. Courses having a material charge or fee in the prerequisite and comments column will be assessed on the billing statement. This fee varies in amount depending on class and materials.

ADMINISTRATIVE COMPLIANCE FEE

A \$25 charge will be assessed to a new student who has not complied with the Illinois Immunization Law by the 10th class day. Call Student Health Services for information at (309) 438-8560.

STUDENT-TO-STUDENT GRANT

This refundable fee, assessed during the fall and spring semesters, provides support for needy and disadvantaged students. Refund application must be made in the Student Accounts Office by the 15th day of classes each semester.

Tuition/General fees freeze rates

Undergraduate tuition (in-state/out-of-state) and general fees shall freeze based on the table to the left. Freeze rates depend on qualified primary major(s)/sequence(s) carried within the individual's catalog year as of the official "10th-day census" of the last undergraduate semester attended within the four continuous calendar years after being classified as first enrolled.¹ If during a future semester, a student becomes classified as a graduate, the prevailing graduate rates and general fees shall apply.² The undergraduate majors/sequences on pages 6–7 qualify for five- and six-year freeze rates and terms. Please note: insurance, installment, etc., are not considered general fees. Upon the expiration of the initial and additional two-year freeze periods, the prevailing rates shall apply.

¹ Definition of **first semester enrolled**—Must be an undergraduate student in a degree-seeking program, including the "General Student" classification and in attendance as of the official "10th-day census." If carrying a primary major/sequence of unclassified (065.00) when first enrolled, the tuition freeze will not apply. If carrying a primary major/sequence in the Integrated Accountancy B.S./M.P.A. program (382.00, 382.01, or 382.02) or Integrated Languages, Literatures, and Cultures B.A./M.A. program (314.00, 314.12, 314.13, or 314.15) when first enrolled, the student is considered as an undergraduate student for purposes of this definition. Classification of graduate status in a prior semester does not disqualify eligibility for tuition freeze.

² Effective for semesters after summer 2005, the undergraduate rate shall apply for students carrying a primary major/sequence in the Integrated Accountancy B.S./M.P.A. program (382.00, 382.01, or 382.02). Effective for semesters after summer 2007, the undergraduate rate shall apply for students carrying a primary major/sequence in the Integrated Languages, Literatures, and Cultures B.A./M.A. program (314.00, 314.12, 314.13, or 314.15).

³ Rates not determined

Qualifications and rates are subject to change pending any future Board of Trustees, legislative, or university administrative action.
