### Payment options

Students have the option of paying in full or paying the first of four installments by the first billing due date of each semester. You can elect the installment option simply by paying the “installment amount due” listed on your first billing statement.

There is a **\$35 installment fee** per semester for paying the tuition and general fee charges in installments, which will be listed on the third statement.

If tuition and general fees are not paid in full on the first billing, you will be automatically placed on the installment billing plan and assessed the installment fee. See the semester specific information for the due dates. Refer to your Housing Contract for information regarding installment fees and charges for room and meals.

### Payment methods

• **In person**—Cash, check, or money order in the Student Accounts Building; see our [contact information](#) on our web page for location and hours.

• **By mail**—Check or money order; please allow at least a few days for mail delivery.

• **Drop box**—For your convenience we have two drop boxes located on campus. They are located on the side of the Student Accounts Building and on the first floor of Moulton Hall. Payments placed in the drop boxes will be processed the next business day.

• **Credit cards**—Illinois State University Student Accounts Office only accepts credit card payments through the State of Illinois E-Pay Program. Any Student Account and Perkins Loan balances at Illinois State University may be paid through this service. A convenience fee will be assessed by the State of Illinois for using their service. You can pay online through the E-Pay Program Web site at [www.illinoisePAY.com](http://www.illinoisePAY.com) or by their automated telephone system at (877) 455-3729.

**Only MasterCard, Discover, and American Express are accepted.**

### Direct deposit of refunds

Direct deposit is available for most Student Accounts refunds. We urge all students to sign up for direct deposit through the [iCampus portal](#), underneath the “Financial Info” tab. It only takes a few minutes to sign up, it is secure, and you don’t have to wait for a check to be mailed. For more information be sure to visit iCampus and read the direct deposit FAQ’s and *terms and conditions*.

If you have further questions please contact the Student Accounts Office at [studentdeposit@ilstu.edu](mailto:studentdeposit@ilstu.edu).

### Mailing

#### STATEMENTS

Monthly statements are mailed to the HOME address that is on file with the University. If a local or parent address is preferred, you can change it by returning the top portion of the billing statement or contacting the Student Accounts Office.

#### REFUNDS

Refunds, for students who fail to sign up for direct deposit, are mailed to the local address during the fall and spring semesters and to the home address during the summer and over breaks. Failure to update your address will delay any refund. Any checks returned to the University from the Post Office will be reappplied to your account and held until you contact our office. Once your information is verified by our office, the funds will be released and refunded in the next refund run.

### Address changes

Students must report any changes in local, home, or parent address by using the iCampus portal, in person at the Registrar’s Office in 107 Moulton Hall or by returning the top portion of your statement.

### Financial aid disbursement

Financial aid will be applied to your current-year charges and remaining funds will be mailed or directly deposited to you. However, first-time Perkins Loan borrowers must come into the Student Accounts Office to sign for their loan and pick up their refund (if available). If **Perkins Loan** papers are not completed, a hold will be placed on further registration. Refund distribution will begin on the first day of classes. If there is an excess credit on the account, either from a payment or financial aid, a refund check or direct deposit will be issued. See “Direct deposit of refunds” above.

# Student charges

## **TUITION**

Undergraduate tuition is determined by the tables found on pages 8 and 9. Graduate tuition is on page 17.

## **GENERAL FEES**

General Fees are assessed to all students based on a per credit hour rate. A detailed listing of these fees is included in the tuition/general fees rate tables on pages 10-17 on the student's specific tuition/general fees freeze rate table.

## **OUTREACH FEES**

Those students that are taking classes off campus or via the internet will be assessed Outreach Fees per credit hour instead of general fees.

## **STUDENT INSURANCE**

An insurance fee is automatically assessed to all students who register for 9 or more credit hours during the fall and spring semesters or 6 or more credit hours during the summer semester. The insurance fee is included in the general fees charge on the billing statement. Students assessed *outreach fees only* are not charged for student insurance.

Coverage is worldwide, with a \$50 deductible (waived when coordinating with another plan) and a \$1 million maximum. Please contact Student Insurance for further information and options at (309) 438-2515 or visit the [Student Health Insurance Web site](#).

It is strongly recommended that you remain enrolled in this plan because it can help close the gaps left by other coverage. Sometimes a family plan has restrictions which limit a student's access to care. The benefits offered by Illinois State University are payable anywhere in the world and are designed to provide excellent coverage alone or in combination with other coverage.

## **Insurance reduction**

Students who are assessed the student insurance fee can apply to waive this insurance under the following circumstances:

- Student must demonstrate equal or better coverage *and*
- complete a written application at the Student Insurance Office, 230 Student Services Building.

*The waiver **MUST** be completed each semester.* Please see the fall, spring or summer section for deadlines to waive the insurance. No waiver requests will be accepted after the deadline.

## **MATERIAL CHARGES**

Material charges are assessed when registering for certain courses that will be using materials provided by the University. Courses having a material charge or fee in the prerequisite and comments column will be assessed on the billing statement. This fee varies in amount depending on class and materials. Materials fees are optional to the student, since he or she must be allowed the opportunity to purchase the needed material from other sources. In these cases an authorization form must be completed and sent to the Student Account's office. [A copy of the form is available on our website.](#)

## **LATE FEES**

Late fees are assessed each month when payment is not received by the billing due date. **Not receiving a bill does not release you from late penalties.** Please check your iCampus portal or contact our office if you do not receive a bill by the end of the month. The following late fees will be assessed to your next statement.

<b>Amount Due</b>	<b>Late Fee</b>
Less than \$10	None
\$10.01-\$50	\$2.50
\$50.01-\$500	\$5.00
Over \$500	\$10.00

## **ADMINISTRATIVE COMPLIANCE FEE**

A \$25 charge will be assessed to a new student who has not complied with the Illinois Immunization Law by the 10th class day. Call Student Health Services for information at (309) 438-8560.

## **OTHER CHARGES**

Other departments on campus also utilize the billing system to assess charges to students. These may include Health Services, Pharmacy, Parking, Redbird Card Office, Athletics, International Studies and others.

## **STUDENT-TO-STUDENT GRANT**

This refundable fee, assessed during the fall and spring semesters, provides support for needy and disadvantaged students. Refund application must be completed in the Student Accounts Office by the 15th day of class for each semester.

## **Audit hours**

Students taking *only* audit course hours (courses without credit) are charged tuition at their current rate. If taking additional hours not on audit, the student is subject to paying tuition and general and/or outreach fees for all the hours including those on audit.

## **Return check policy**

**Special warning about payments:** A penalty of \$25 is assessed for each check returned to the University. Check cashing privileges will be suspended when more than one check is returned to the University. In most cases, the person who endorses a two-party check is the one liable for any penalties charged if that check is returned. Any check(s) returned originally issued to clear a delinquency thereby permitting the student to register will result in cancelled classes if he or she fails to pay in full his or her returned check(s), check fee(s) and balance due. Please contact the Student Accounts Office with questions.

<sup>1</sup> Definition of **first semester enrolled**—Must be an undergraduate student in a degree-seeking program, including the “General Student” classification and in attendance as of the official “10th-day census.” If carrying a primary major/sequence of unclassified (065.00) when first enrolled, the tuition freeze will not apply. If carrying a primary major/sequence in the Integrated Accountancy B.S./M.P.A. program (382.00, 382.01, or 382.02) or Integrated Languages, Literatures, and Cultures B.A./M.A. program (314.00, 314.12, 314.13, or 314.15) when first enrolled, the student is considered as an undergraduate student for purposes of this definition. Classification of graduate status in a prior semester does not disqualify eligibility for tuition freeze.

<sup>2</sup> Effective for semesters after summer 2005, the undergraduate rate shall apply for students carrying a primary major/sequence in the Integrated Accountancy B.S./M.P.A. program (382.00, 382.01, or 382.02). Effective for semesters after summer 2007, the undergraduate rate shall apply for students carrying a primary major/sequence in the Integrated Languages, Literatures, and Cultures B.A./M.A. program (314.00, 314.12, 314.13, or 314.15).
