Once you have signed up, it will take 7-10 days for the account to be active. Therefore, if a refund is available before the 7 days are up, a paper check will be created. Student refund checks can be picked up at the Student Accounts Office or students can request the check to be mailed out and must verify their address.

Note: [Parent Plus Loan refunds](#) can be received via direct deposit set up in the Authorized User Account. Otherwise they will be issued via paper check and mailed to the address on the application.

If you have further questions please contact the Student Accounts Office at stuaccts@ilstu.edu.

Financial aid disbursement

Completed financial aid will be applied to your current-year charges and remaining funds will be directly deposited or check created to be picked up. All loan borrowers be sure to Accept and complete all paperwork needed so loans can apply to your account. Current semester refund processing will begin on the Friday prior to the first day of classes and continue every Friday as aid is processed.

It is the student's responsibility to be sure all their addresses on file are correct and up-to-date. Students can update their addresses through their Student Center portal.

Student charges

TUITION

Undergraduate tuition is determined by using the tables found on pages [8—10](#). Graduate tuition is on [page 19](#).

ENROLLMENT COMPETITIVENESS PROGRAM

In February 2012, the Board of Trustees of Illinois State University authorized an Enrollment Competitiveness Program commencing fall 2012 through which, as part of targeted recruitment efforts, selected entering high-achieving/talented out-of-state students or students residing in states contiguous to Illinois will pay be charged at the in-state tuition rate and in accordance with Truth in Tuition. The University may limit the number of students eligible for this program.

MANDATORY FEES

Mandatory Fees are assessed at a per credit hour rate. A detailed listing of these fees is included in the student's specific tuition/mandatory fees rate table on pages [11-19](#). Mandatory Fees are not included in the Tuition lock in accordance with Truth in Tuition effective Fall 2017 and forward.

OUTREACH FEES

Depending on your tuition rate table, some students that are taking classes off site, via the Internet or special programs may be assessed Outreach Fees per credit hour *instead* of mandatory fees. See individual tuition table for rates.

*Students assessed outreach for fees **only** are not charged for student insurance.*

MATERIAL FEE CHARGES

Material Fee charges are assessed when registering for certain courses that will be using materials provided by the University. Courses having a material fee charge or fee in the prerequisite and comments column will be assessed on the billing statement. This fee varies in amount depending on class and materials. Material fees are optional to the student, since he or she must be allowed the opportunity to purchase the needed material from other sources. In these cases, an authorization form must be completed and sent to the Student Account's office. [Copy of the form is available on our website.](#)

STUDENT INSURANCE

A health insurance fee is automatically assessed to all students who register for 9 or more credit hours during the fall and spring semesters or 6 or more credit hours during the summer semester. The insurance fee is included in the mandatory fees charge on the billing statement and detail can be seen on the student's portal. Students assessed *outreach fees only* are **not** charged for student insurance.

Coverage is world-wide, with a \$50 deductible (waived when coordinating with another plan) and unlimited lifetime benefits. Please contact Student Insurance for further information and options at (309) 438-2515 or visit the [Student Health Insurance website](#).

We strongly recommended you remain enrolled in this insurance plan because it can help close the gaps in other insurance coverage. For instance, some family insurance plans may have restrictions that limit a student's access to health care. This insurance plan is designed to provide excellent coverage whether you are enrolled in another insurance plan or not. It also offers benefits that are payable anywhere in the world.

Insurance reduction

Students who are assessed the student insurance fee can apply to waive this insurance under the following circumstances: Student must demonstrate equal or better coverage, the coverage must be a commercial or group insurance plan and the plan must have medical providers in the Illinois State University area. Information on the waiver application and the semester deadlines are listed on the [Student Health Insurance](#) website.

No requests for cancellation will be accepted after the deadline. **The waiver MUST be completed for each semester.**

Student Health Services does not submit insurance claims on behalf of students. Students may obtain an itemized bill or insurance claim form from the SHS Business Office.

Typically, these forms are available one business day after the appointment. Students may then submit their own claims, first to their primary insurance and then to Student Insurance (if applicable). Itemized bills are also available to students 24/7 on the [Student Health Service's secure website](#). Insurance reimbursements will be paid directly to the student, not to Student Health Services. If clinic charges were billed to the student account, then the student must pay the charge and reimbursement will be paid to the student after claim is filed.

IMMUNIZATION COMPLIANCE FEE

A compliance fee will be assessed to a new student who has not complied with the Illinois Immunization Law by the 15th class day. Call Student Health Services for information at (309) 438-7559.

OTHER CHARGES

Other departments on campus also utilize the billing system to assess charges to students. These may include Health Services, Pharmacy, Parking, Redbird Card Office, Athletics, International Studies and others.

STUDENT-TO-STUDENT GRANT

This refundable fee, assessed during the fall and spring semesters, provides support for needy and disadvantaged students. Refund application must be completed in the Student Accounts Office by the 15th day after the start of each semester.

AUDIT HOURS

Students auditing a class(es) will be charged all applicable tuition and fees based on your tuition table rate.

Return check/E-check policy

Special warning about payments: A penalty of \$25.00 is assessed for each check/E-check returned to the University. Check cashing privileges will be suspended when more than one check/E-check is returned to the University. In most cases, the person who endorses a two-party check is the one liable for any penalties charged if that check is returned. Any check / E-check(s) returned originally issued to clear a delinquency thereby permitting the student to register will result in cancelled classes if he or she fails to pay in full his or her returned check/E-check(s), check fee(s) and balance due. Please contact the Student Accounts Office with questions.
